

## ALL ARE WELCOME!

EpiscoWisco Camp welcomes persons of all ages and faiths to learn more about God, community, and yourself as we have a lot of fun! Those age 4 through 12th graders are campers. Adults serve as staff members for all session groups, and high school aged-youth (ages 14-17) may serve as Counselors-in-Training (CITS) at Junior & Kinder Camps.

## PROGRAM AND ACTIVITIES

Camp's focus is on faith development through activities including arts & crafts, campfires, swimming, gardening & composting, field games, bread baking, boating, singing, games, storytelling, nature hikes, archery, and low-ropes initiative activities.

## SUPPORT CAMP

- **PRAY** for campers, staff and parents.
- **APPLY** to serve as a staff member.
- **GIVE** to support campers as well as the camp program.

## CAMP FACILITIES

Imago Dei Village, part of Crossways Camping Ministries, is on Long Lake near Clintonville, Wisconsin. It offers accessible cabins, chapel, arts & crafts building, showers, bathrooms, hiking trails, open fields, playground, and modern meal facilities. Imago Dei provides the food service, maintenance, waterfront, and support staff. If you would like a tour, email [episcowiscocamp@gmail.com](mailto:episcowiscocamp@gmail.com).

## CAMP STAFF

Program staff are committed to Christian formation and safety, and many were once campers. They plan activities and supervise campers. From a high school youth counselor-in-training working with young campers, to an adult working with all ages, each staff member brings their gift of experience to camp.

A \$25 discount is offered for each additional child from the same family.

*Register soon!*

*Deadline to register is June 1 for all sessions!*

Financial support may be available from your congregation, diocesan office, or other community organizations.

Fees which are not paid in full PRIOR to arrival at camp may incur a late payment penalty. The late fee does not apply when we know there are pending payments from outside sources like a church or scholarship.

## **PAYMENT**

- Payment (in full or partially) may be made by check or cash mailed to the Administrative Office. The camper's name and session must be included with any payment.
- Camp store purchases may be made during check-in. Money for the camp store during a session will be collected at check-in. Campers are not to have cash during camp.

## **FINANCIAL AID**

A lack of funds should not be a barrier for any camper to attend. Most congregations and many community organizations provide financial assistance to campers. Parents should seek financial assistance through clergy, church leaders and other sources. The registration form includes space to note expected financial assistance from an outside source.

EpiscoWisco Camp may provide financial assistance if other sources do not meet the need. To request this assistance, contact the Administrative Team at (920) 830-8866 ext. 204 to discuss.

**Cost is NOT a reason to miss camp!  
If assistance is needed, please ask.**
